

PROFILE ECOLINE

without led-strip | white 2,0 m

Product code: 68918

White profile for LED strips

NOTE Available to order from our sales service. Sold in batches of 50!

LIMENTE PROFILE ECOLINE is designed for installing LIMENTE PRO led strip. You can use the profile to install the led strip in a kitchen workspace or in a utility room. The profile has a standard length of 2 meters and can be shortened to a desired length using a hacksaw or a circular saw. When the profile is cut to a proper length, simply install the led strip inside. ECOLINE aluminum profile is available in batches of 50 in three colors: aluminum, white and black.
