

DUO LUX

2m | 3000 K | black | 2 x 1700 lm/m | 192 led/m | CRI>90
Product code: 68944

An up & down wall light fixture

LIMENTE DUO IP44 LUX is a part of LIMENTE LUX collection. The LIMENTE LUX collection provides the best quality of light in technical features, such as efficiency and color rendering, and maximizes the lifespan of the product. DUO is a minimalistic and sleek wall light profile fixture that projects light up and down. The fixture is available in both black and white. DUO can be used in private homes and in public spaces as an eye-catcher, a mood light or a functional light for reading or above a couch.

You can control both the upward projecting light and the downward projecting light separately when needed. Using DUO enables carrying out beautiful and stylish indirect lighting designs in different kinds of spaces, including in the bathroom due to the fixtures IP44 classification.

Dimming and lighting control

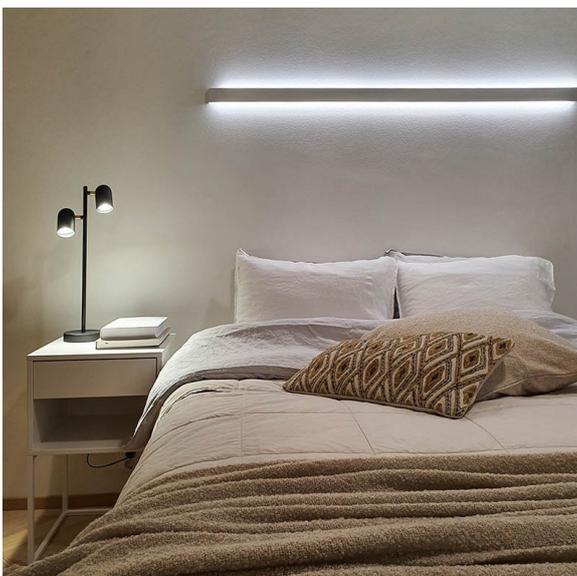

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cosy by dimming your LIMENTE DUO with our wireless system. You can use the same switch to adjust all LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time in every fixture while creating ambience for working, entertaining or any mood in between.
