

DECKER 20 LUX

2m | 4000 K | aluminum | 192 led/m | 1700 lm/m | CRI>90
Product code: 68983

Accent lighting to highlight shapes and furniture in your home

LIMENTE DECKER LUX illuminates both forward and to the sides. The fixture comes with a separate attachment board, which fits the power supply cord of the led strip. Use LIMENTE DECKER LUX to highlight the shapes of your furniture by installing the fixture between your furniture to create a stylish light beam or use the fixture as general functional lighting e.g. inside a mirrored bathroom cabinet to have a pleasant, three-way lighting.

LIMENTE DECKER LUX is a part of LIMENTE LUX collection. The LIMENTE LUX collection provides the best quality of light in technical features, such as efficiency and color rendering, and maximizes the lifespan of the product. The light is stylish and continuous with no connection points interrupting the light, which provides even light throughout the area.

Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cozy by dimming your LIMENTE DECKER with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
