Complete light set for kitchen workspace

The LIMENTE workspace light set is a versatile, shortenable light solution that can be used to create work and mood light and it is great for example as an indirect light on top of the cabinet, in recesses, plinths, ceilings, etc. in addition to kitchen work lighting. In the kitchen workspace, the profile is placed close to the front edge of the bottom of the top cabinet.

See the installation pictures for tips on how the profile can be placed in the kitchen as a working light, on top of the kitchen cabinet as indirect light or how it can be used as an indirect light for the ceiling, for example. The kitchen workspace set is available in two different lengths, 2 m and 4 m, with and without light control.

Dimming and light control

By adjusting the lighting, you can customize the lighting and create lighting that suits your home and the current situation. The stepless dimmer makes it easy to create a different mood and a new look in the space. By dimming the LIMENTE luminaires, you change the lighting in your home from efficient and bright to dim and cozy. If you wish, you can use the same control to adjust all the LIMENTE luminaires in the room, including the different ceiling, panel and work luminaires. The luminaires adjust evenly and smoothly, changing the mood of the entire space.
